

THE FAMOUS HISTORIE OF TROYLUS AND
CRESSEID, excellently expressing the beginning of their
loves, with the conceited wooing of Pandarus Prince of
Licia. Written by William Shakespeare.

London, Imprinted by G. Eld for R. Bonian and H.
Walley, and are to be sold at the Spread Eagle in Paules
Churchyard, over against the great North doore. 1609.

"This beautifully clean perfect copy of the *first edition* of Troilus and Cressida, *with the preface*, has never been in any sale, and is perfectly genuine throughout, having been cut out by myself from a volume of tracts collected and bound at the period. This first edition is very rare in any state, but is most particularly so when quite complete with the prose preface, which is omitted in all copies of the second edition of the same year, and is only found in some copies of the first. Not more than three complete copies are known to exist. The present copy has the reading, *thrice-repured*, considered by Mr. Collier to be peculiar to the Duke of Devonshire's."

—MS. Note.

This precious volume may be considered the gem of the collection, superior in condition and perfection, nearly equal in rarity and value to the first Hamlet.
